

OPEN THE DOOR TO SILICON VALLEY WITH WOMEN IN FOCUS.

CommBank's Women in Focus community hosted 10 women entrepreneurs on a study tour in Silicon Valley, to open the door to the insights from game changers like Facebook, LinkedIn, IDEO, IBM and Cisco. We've compiled a special edition Discuss paper to share back the learnings from these companies, and insights from attendees like Louise Curtis.

Download your free copy of our paper at womeninfocus.com.au/siliconvalley
