## LOLLYPOTZ

LOLLYPOTZ, a popular Australian chocolate bouquet retailer, has now established itself in WA.

Lollypotz offers beautiful and special gifts for any occasion.

It specialises in corporate gifts for businesses as centrepieces for functions or corporate rewards and one-off gifts such as birthdays and anniversaries.

These gifts are a fantastic and cost effective alternative to flowers.

For corporate orders, the team can print ribbons and stickers with the company's logo – this gives the gifts a more professional image.
