

# Sweet way to say thanks a bunch

IF you cannot decide whether to get flowers or chocolate for mum this Mother's Day, why not go for a combination of the two? Lollypotz, Australia's largest chocolate bouquet supplier, is setting up shop in Castle Towers this week to help locals give their mothers a tasty surprise. These colourful chocolate gifts have been gaining popularity in the Hills since the franchise started there in September last year. "It's the fastest-growing franchise in Australia," Lollypotz Hills District manager Glenda Frost said. Starting from \$7.95, shoppers can choose from a range of colour and chocolate combinations for their bouquets. The website has more than 100 bouquets, some with a bottle of champagne or wine. "We customise them so people can have whatever they like," Ms Frost said. "For example, you can get 50 chocolates for a 50th birthday." The Lollypotz stand comes to Castle Towers every Christmas, Valentine's Day, Easter, Mother's Day and Father's Day. "We had the best sales here for Christmas in Australia and New Zealand," Ms Frost said. Ms Frost expects the bouquets to be very popular as a Mother's Day gift. "At Christmas I had mothers saying to their children 'you can come back and buy me one for Mother's Day'," she said. But it is not just the females who enjoy a chocolate bouquet, the men's Beer and Cheer pot has been a best seller. Inquiries: [www.lollypotz.com.au](http://www.lollypotz.com.au) or 1300 565 597.
