

## > LOLLYPOTZ

Lollypotz is an online and retail business specialising in chocolate gift bouquets. New to the Ringwood area, located in Civic Place near the Library, Lollypotz provides beautifully presented, locally made gifts ready to be purchased, or delivered for your convenience.

Owned and operated by local Germaine Crabtree, Lollypotz Ringwood has an amazing variety of fun gift bouquets. Germaine is thrilled to be a part of this growing franchise. "The idea of creating delicious gifts and helping people celebrate the best moments in their lives is very exciting and rewarding". Popular bouquets include ones to celebrate a new arrival, Mothers and Fathers Day or just to say 'congratulations' or 'thank you'.

Corporate gift giving is also a Lollypotz specialty. The most popular designs are on display, or they can design a bouquet in corporate colours, or any other arrangement to suit all customers needs. A personalised Chocolate Bouquet is a unique way to 'stand out from the crowd' and to ensure your gesture will be remembered. So the next time you're in Ringwood, make sure you visit Germaine and the stunning displays at Lollypotz, or visit [www.lollypotz.com.au](http://www.lollypotz.com.au).
